

First United Methodist Church

Summer, 2026

From the Pastor's Pen

As I write it is the first full day of summer and our gardens and yards have exploded with growth and vitality. The front and memorial gardens at the church are in wonderful bloom with the guiding hands of our amazing volunteers.

This is a wonderful season for our faith to bloom as we make the time to be intentional in our relationship with God. Start with gratitude, giving thanks for all that delights our senses each day. The beauty we see, the scents that inspire us, the tastes that delight our palate, the delicate touch of a flower blossom, the sounds that draw us into peace and connection with all of God's wonderful creation.

Gratitude leads us to love and the joy of sharing. Jesus teaches us to savor the simple and share his love and grace with all people. May this summer lead to new vitality in your faith!

Thank you for the wonderful birthday cards and the gift!

Here is a pastel painting that I created in 2019 of the view of the Lord Howe Valley from the Memorial Garden near sunset.

Peace, Love, and Blessings,

Pastor Scott Tyler

Now That's A Bright Idea

We had our quarterly meeting on Tuesday, June 9th at 6:30. We planned projects for the summer that we can do with the funds available.

Chris Manning has finished the replacement of the walls and windows in the lower level. We hope that he will continue various other projects this summer. The replacement of one of the doors on the lower level, painting all the doors on the lower level, replacing the ceiling in one of the rooms on the lower level that was damaged by the flood in the kitchen and the updating of the men's bathrooms on both floors to comply with current New York state laws.

Darren Patnode has cleaned the AC units. He will repair the Community Garden water and the outside spigots sometime this summer. The unit in the main Thrift Shop room needs additional repair that the Thrift Shop will handle directly.

We are hopeful Price Electric will be installing our new LED parking lot lights and upgrading the outdoor electrical feeds to the parking lot and roadside sign.

Donnie and I cleaned the roadside sign the other day. We looked into replacing the existing sign with an LED sign but even with the promise of a large donation, the price would be out of reach at the current time.

I am sad to report that the white birch tree at the end of fellowship hall is in danger of falling on the church and will have to be removed as soon as possible.

The fence post at the corner of the driveway will be fixed. Several of the posts are rotted.

As always if you see something that needs attention, contact Donnie or myself and we'll do our best to "get 'r done"! (Or at least put it on the list)

Summer is here!

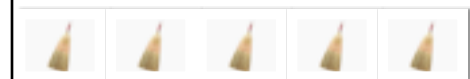

A time of family and friends, trips, beaches, and fireworks.

As busy as families are, things here at TFUMC slow down a little.

Committees take the summer off, attendance on Sundays is always a little down.

Sexton-wise, it's business as usual, maybe even a little busier. I have some plans to clean screens, the medical equipment barn is due for a major reorganization, and once the Kitchen Committee is done with their cleaning project, I will strip the floor of grease and grime. A few of the things I hope to get accomplished. My mental to-do list keeps growing, as well.

As always if you see anything that you think requires my attention, please let me know.

Donnie.

Sexton extraordinaire.

Thrift Shop News

Summer is here!

We have swim suits, shorts, capris, blouses, dresses, and other items for sale. We also have many treasures to help you enjoy the season. We are often intrigued by the unique items that find their way into the shop. Come in and check us out!

We are hearing many favorable comments from customers about the quality of our items, and how nice the shop looks. Our volunteers work hard to keep it stocked and looking good, and it pleases us that our customers are noticing. If you want to be part of the action, let us know! Volunteers are welcome.

We have put some of the spring clothing on sale to make space for summer items. Watch for more sales in August, after which fall items will begin to go out.

Have a wonderful summer!
